

WN279

TECHNICAL DATA:

Model: NORTEC PRO WN279

The set is made of the highest quality materials.

Dimensions: 970x880x470 mm

Weight: 71 kg

Tool trolley **Nortec Pro WN279** is made of high quality **powder-coated steel**, has a worktop made of **durable polymer** resistant to scratches and **279 pieces of equipment**. Organizational partitions simplify work in the workshop. The service cabinet has been designed to be as **mobile** as possible, equipped with **4 large wheels including two swivel wheels with a brake**. A comfortable handle allows free movement of the trolley, in addition, the cabinet is equipped with **7 drawers**, of which **6 are filled with high-grade hard steel working tools**. Tool handles are signed with the **Nortec Pro logo**. The trolley has a deep **drawer** and a **side drawer** cabinet with a tray for small items!. In addition, a set of keys was attached to the cabinet to close it.
